

17 June 2025

Dear Rafid and ANA Virtual Group Members,

I am writing to formally notify you of my resignation from my position as Chief Technology Officer of ANA Virtual Group, effective 18 June 2025.

Over the past month of volunteering with ANA Virtual Group, I have greatly appreciated the opportunity Rafid provided me to serve as Chief Technology Officer. It has been a privilege to work alongside such dedicated and professional team members.

After careful consideration of my academic commitments and personal goals for the future, I have realized that I will be unable to effectively balance these priorities while maintaining my responsibilities to ANA Virtual Group. I have decided to focus on my academic pursuits and meeting my family's expectations. I apologize for the short notice of my resignation.

Regarding the technical infrastructure, my personal server will remain available as is with no guarantee (e.g. data loss, service disruptions, or any unforeseen circumstances), for ANA Virtual Group's use at no cost until 18 August 2025. During this period, technical support will not be provided. Any necessary (planned) server maintenance will be communicated with at least 24 hours' advance notice.

I am committed to ensuring a smooth transition and am available to assist with any handover requirements until 24 June 2025. Any server access issues should be resolved within the aforementioned period. You may reach me via Discord DM or my personal email at ja@jhl.hk.

I wish you and ANA Virtual Group continued success in all future endeavors.

Sincerely,

Janyue Aosugi
